

Good news for our French friends!

The achievement of the French Certification (**Fiche Identification of ULM**) is officially confirmed.

Therefore the certificated F30 can be finally put on the market in the transalpine area

*The **research for very good distributors for the French territory is also now open***

For whoever is seriously interested, please download the questionnaire which can be found in the Dealer section of the website and send it to the following email address:

roberto.orlando @ golden-car.it

After an internal evaluation, the candidate will receive a feedback and in the case of a positive response, an invitation by Golden Avio will be received for a more detailed meeting.

So, French Dealers and lovers of flying.... we are waiting for you!
