

## Good news for our French friends!

The achievement of the French Certification (**Fiche Identification of ULM**) is officially confirmed.

Therefore the certificated F30 can be finally put on the market in the transalpine area

The research for very good distributors for the French territory is also now open

For whoever is seriously interested, please download the questionnaire which can be found in the Dealer section of the website and send it to the following email address:

roberto.orlando @ golden-car.it

After an internal evaluation, the canditate will receive a feedback and in the case of a positive response, an inviation by Golden Avio will be received for a more detailed meeting.

So, French Dealers and lovers of flying.... we are waiting for you!
